

ROYAL FOWEY YACHT CLUB

Water-borne life is thriving. All classes are racing, relaxing informal events are happening, the Club terrace is amply fulfilling its role as the best spot in town from which to watch the more active amongst us cruising, or racing (or the less active pottering) on the water.

In June we bid a sad farewell to Matt Old, who has provided superb service in the Club dining room for the last five years. We wish him well in his new venture. We warmly welcome Matt's successor, Rob Vogel.

Volunteers!

We are keenly aware how much the Club owes to the many who volunteer their time to make our activities thrive. But we always need more! We are now on the hunt for more people to share the task of coxing the Club tender for cruiser racing events. Call the office if you would like to consider this. Training can be provided if necessary, and it is a fine way to be involved, to learn new skills, and to enjoy the companionship of being on the water.

Out of Town Water-Borne Events in June.

June saw the first of the Small Boat Group outings. Nine boats went up the river in company to Lostwithiel on 15th June. All returned safely, full of the magic of high water on the upper reaches of the river on a summer evening. The next outing (weather permitting) will be to Polkerris on Sunday 24th June, after the time of writing, but before this edition hits the streets of Fowey.

Similarly, the annual Fowey Goes Foreign cruise to L'Aber Wrac'h takes place in June, but after writing this. We look forward to hearing of the success of the cruise, and the stories (tall and otherwise) that will no doubt follow.

Photos for the Club Calendar.

There is still time to send photographs to grace and enliven next year's Club calendar. Contact the Club office for details of how to do this.
